The OSU Craft Center offers well equipped studios and classes. Membership is currently open to OSU students, FREE for current fee-paying students. All levels are welcome from beginner to advanced. Classes are taught by skilled artists & craft persons, with an emphasis on quality small group instruction and individual attention. Come learn, explore, and create in a warm and friendly environment!

A Few Details and Policies:
A membership is required each term. Membership is FREE for current fee paying students. You can become a member online by filling out our membership form at: craftcenter@oregonstate.edu. Non-fee paying students can become a member by paying a $40 membership fee and filling out a membership form at the front desk.

Woodworking, ceramics, glass, and screenprinting studios all require an orientation. Woodworking orientations are available during our Woodworking Tech Times (on back), ceramic orientations are available by the front desk, or more in-depth during our Ceramics Tech Times. Glass studio orientations are also available by our desk staff, or a more in-depth orientation is available during our Glass Tech Times.

Studio tech times are a great way to get a little help with a project, ask questions, and fill in some gaps in your skills.

Craft Kit Program
When we were strictly remote, the Craft Center implemented a craft kit program. In order to still serve students unable to work in the Craft Center, and just because it’s dang fun, we have kept this popular service. In order to check out a kit for 2 nights, go to our website, craftcenter@oregonstate.edu, and follow the links to our Bookings page! Right now we offer kits in the following:

Collage  Watercolor Painting/Paint by Numbers
Needle Felting  Sewing (including machine)
Acrylic Painting  Relief Printing (make your own stamp!)
Drawing  Woodburning
Spirography/Mandalas  Cardmaking and Quilling
Model Magic  Embroidery
coming soon: Punch Needle Embroidery!

For accessibility needs, please email us at craftcenter@oregonstate.edu or call 541-737-2937

Fall 2021 Classes

All Fall classes are small, allowing for lots of individual instructor time. They are non-credit classes, and a perfect way to unwind while learning a new skill! Sign up at the Craft Center front desk. Studio tech times are also a great time to get questions answered, get your orientation, or just get some help with your project!
