Our Studios in Winter 2022
Sewing  Stained & Fused Glass
Printmaking  Weaving
Ceramics  PaperArts
— and more!

A Few Details and Policies:
A membership is required each term. Membership is FREE for current fee paying students. You can become a member online by filling out our membership form at: craftcenter@oregonstate.edu. Non-fee paying students can become a member by paying a $40 membership fee and filling out a membership form at the front desk.

Woodworking, ceramics, glass, sewing machine use, and screenprinting studios all require an orientation. Woodworking orientations are available during our Woodworking Tech Times (on back), ceramic orientations are available by the front desk, or more in-depth during our Ceramics Tech Times. Glass studio orientations are also available by our desk staff, or a more in-depth orientation is available during our Glass Tech Times.

In addition to a Woodworking Orientation, a Safety Assessment Workshop (SAW) is required each new academic year for those with prior woodworking experience looking to use large woodworking machines independently. Most sessions are scheduled the first few weeks of the term, sign up at front desk.

Studio tech times are a great way to get a little help with a project, ask questions, and fill in some gaps in your skills.

Please see our website for more policies and procedures in each studio area.

Craft Kit Program
When we were strictly remote, the Craft Center implemented a craft kit program. In order to still serve students unable to work in the Craft Center, and just because it’s dang fun, we have kept this popular service. To check out a kit for 2 nights, go to our website, craftcenter@oregonstate.edu, and follow the links to our Bookings page! Right now we offer kits in the following:

- Embroidery
- Collage
- Watercolor Painting/Paint by Numbers
- Needle Felting
- Acrylic Painting
- Relief Printing (make your own stamp!)
- Drawing
- Woodburning
- Spirography/Mandalas
- Cardmaking and Quilling
- Model Magic
- Punch Needle Embroidery
- Shrinky Dink

Excited about a new craft that would make a great kit? Let us know!!

The OSU Craft Center is located in the bottom floor of the Student Experience Center, at the heart of the OSU Campus

Winter Hours
Monday, Tuesday, Thursday, Friday
12:30-8
Wednesday
12:30-6
Saturday
12:30-4
